IMPORTANT MESSAGE(S)

Beware of Refund and Overpayment Scams. When you're selling items online, it can be exciting to receive an offer from a buyer. However, whether you accept payment via check or online service, it's essential to make sure these payments are legitimate. Here's how you can beat these scams: 1) Independently confirm the buyer's information. 2) Do not accept payments for more than the agreed-upon amount. 3) Wait for payments to clear before sending any items to the "buyer." 4) Never share your account credentials or password with anyone.
